Showreel

Showreel available on my website.

Summary

Aspiring VFX compositor with a working knowledge of Nuke and After Effects. Currently in my final year studying VFX and Motion Graphics (BA). I enjoy technical tasks requiring a focus on detail and have experience working alongside others. I have a strong interest in film and television production and I enjoy keeping up with new industry trends.

Work Experience

1 Week of Work Shadowing within Painting Practice at Bad Wolf Studios

- Gained studio experience and knowledge of the VFX pipeline, particularly in terms of pre-production and pre-visualisation.
- Built connections and worked to a brief with adaptations to feedback and revisions.

Customer Service Assistant at Vue Cinema, July-September 2023.

- Interacted with customers, responding to queries and serving tickets and concessions.
- Worked closely as a team and managed my time to ensure deadlines for films were met and queues were minimised.
- Worked multiple late closing shifts and at varied hours.

Education

Final year studying Visual Effects and Motion Graphics (BA) at the University of South Wales 2021 - Graduating Summer 2024.

A Levels:

Art and Design (Fine Art)	A
